Scope of Accreditation

Expiration: 06/30/2012

ACZ Laboratories, Inc.-Steamboat Springs, CO CO00028
2773 Downhill Drive
Steamboat Springs, CO 80487

is certified by the State of Alaska Department of Environmental Conservation, pursuant to 18 AAC 80, to perform analysis for the parameters listed below using the analytical methods indicated. Accreditation for all parameters is final unless indicated in a note. Accreditation is for the latest version of a method unless specified otherwise in a note. EPA refers to the U.S. Environmental Protection Agency. SM refers to American Public Health Association's publication, Standard Methods for the Examination of Water and Wastewater, 18th, 19th or 20th Edition unless otherwise noted. ASTM refers to the American Society for Testing and Materials.

Drinking Water Chemistry

Method/Test Name	Reference	Analyte	Matrix	Status
200.8	EPA	Uranium	Water	Approved
900.0	EPA	Gross alpha	Water	Approved
900.0	EPA	Gross beta	Water	Approved
903.1	EPA	Radium-226	Water	Approved
904.0	EPA	Radium-228	Water	Approved

Matt Sowards:

Thank you for submitting the application for renewal of ACZ Laboratories, Inc.-Steamboat Springs, CO drinking water certification by the State of Alaska.

ACZ Laboratories, Inc.-Steamboat Springs, CO, EPA # CO00028, located at 2773 Downhill Drive, Steamboat Springs, CO, is granted full certification for the analysis of drinking water by the State of Alaska for the contaminants listed in the State of Alaska Scope of Accreditation.

Certified methods and contaminants are valid until June 30, 2012 or until ACZ Laboratories, Inc.-Steamboat Springs, CO fails to meet the criteria as specified in the Certification Manual (EPA 815-R-05-004) and Alaska Administrative Manual (18 AAC 80) as they pertain to the certification of laboratories conducting Chemical analyses of drinking water. Renewal instructions are available from the following site:

<http://www.alaska.gov/dec/eh/lab/dw/dwchem.htm>

ACZ Laboratories, Inc.-Steamboat Springs, CO is required to notify the State of Alaska certification authority in writing, within 30 days, of any major changes in personnel, equipment, laboratory location or any other activity that might impair the lab's analytical capability.

Your State of Alaska laboratory ID number is CO00028. Please remember to include this number in ALL correspondence concerning your Alaska Certification and on all data transmittals.

In order to assure timely handling please address all correspondence to the attention of 'SDWA Certification Officer - Chemistry'.

If you have any questions, please contact the Alaska Department of Environmental Conservation Environmental Health Laboratory at (907)375-8200 or at the following email address Lance.Morris@Alaska.gov.

Respectfully,

Lance W. Morris
SDWA Certification Officer-Chemistry
